

## GFB Power-Up Pulley Kit Information

---

Refer to the vehicle service manual for removal/installation information of the belts and crank pulley.

### **Required belt sizes for fitting 300ZX light-weight crank pulley:**

Alternator/water pump belt: 4PK 980

Air conditioning: 4PK 925

Power steering: 4PK 890 (Note that some non-turbo engines may require a 3PK 890 – count the number of ribs on the power steering pump pulley before purchasing belts)

**This product is intended for racing use only, and it is the owner's responsibility to be aware of the legalities of fitting this product in his or her state/territory regarding noise, emissions and vehicle modifications.**

**GFB products are engineered for best performance, however incorrect use or modification of factory systems may cause damage to or reduce the longevity of the engine/drive train components.**

**GFB recommends that only qualified motor engineers fit this product. Warranty is limited only to the repair or replacement of GFB products provided they are used as intended and in accordance with all appropriate warnings and limitations. No other warranty is expressed or implied.**
